

National University of Engineering
College of Civil Engineering
Civil Engineering Program

Name	Carlos Ibanez
Professional Title	Civil Engineer - Professional Engineer
Highest Academic Degree	Doctor in Civil Engineering
Level	3 - Principal Professor
Education	<ul style="list-style-type: none"> • Doctor in Civil Engineering. University of California, Berkeley, USA, 1975. • Master of Science in Engineering. University of California, Berkeley, USA, 1972. • Diploma in Hydraulics Engineering, IHE, Delft, The Netherlands, 1967 • Master in Hydraulics Engineering, National University of Engineering UNI, Peru, 1965. • Civil Engineer. National University of Engineering UNI, Peru, 1958.
Professional and Academic Experience	<ul style="list-style-type: none"> • Chair of Civil Engineering Program, National University of Engineering, Lima, 2010 to date. • Principal Professor, National University of Engineering, Lima, 1970 to date. • President of Honor Committee of National University of Engineering, Lima, 2007-2008, 1999-2000, 1995-1996. • President of Governing Body of Civil Engineering College of Piura National University, Piura, 1997-1998. • Director of Research Department of College of Civil Engineering, National University of Engineering, Lima, 1992-1994. • Chief of Postgraduate Section of the College of Civil Engineering, National University of Engineering, Lima, 1987-1994. • Dean of College of Civil Engineering, National University of Engineering, Lima, 1985, 1990. • Head of the Academic Department of Hydraulics and Hydrology, College of Civil Engineering, National University of Engineering, 1984-1987. • General Secretary of College of Civil Engineering, National University of Engineering, 1968-1969. • Technical consultant of Shawinigan Energy Consultants, Ontario, Canada, 1985. • Technical consultant on hydraulics engineering for companies and government.
Member of Scientific and Professional	<ul style="list-style-type: none"> • Peruvian Association of Professional Engineers CIP. Life member. Chapter of Civil Engineering. • International Association for Hydraulic Research (IAHR).

Societies	
Institutional and Professional Service	<ul style="list-style-type: none"> • President of the Ethics Committee of the Lima Council of the Professional Association of Professional Engineers, CIP, 2007. • Member of the Directive Board of the Chapter of Civil Engineering, Peruvian Association of Professional Engineers CIP. • President of the Accounting Revision Commission of the Lima Council of the Professional Association of Professional Engineers, CIP, 2004-2005. • Member of Directive Board of the Hydraulics National Laboratory, Lima, 1990-1992. • Member of Special Committees at OSITRAN (Government Institution for Regulating and Supervising Transportation and Port Investments).
Awards and Acknowledgments	<ul style="list-style-type: none"> • Recipient of <i>Habich Torch Award</i> for outstanding academic career. National University of Engineering, Lima, 20012. • Recipient of the Honor Medal of the Lima Council of the Peruvian Association of Professional Engineers, Lima, 2008. • Emblematic Professor at National University of Engineering, Lima, 2005. • Faculty member of the Hydraulics and Hydrology Department with the highest grade on teaching performance, College of Civil Engineering, National University of Engineering, 2001.
Conferences and publications	<ul style="list-style-type: none"> • Speaker in several national and international conferences of Hydraulics Engineering, 1980 - 2000.
Other Activities	<ul style="list-style-type: none"> • President of the Peruvian Scholars Association of the Netherlands Government, 1970, 1971, 1976.
Languages	<ul style="list-style-type: none"> • High level of written and spoken English. • Basic French.
