|---|---|
| Name  | Luisa Shuan   |
| Professional Title                              | Civil Engineer - Professional Engineer  |
| Highest Academic Degree                         | Master in Geotechnical Engineering  |
| Level   | 1 - Assistant Professor   |
| Education                                       | <ul style="list-style-type: none"> <li>• Master in Geotechnical Engineering, National University of Engineering, Lima, Peru, 2011.</li> <li>• Civil Engineer. National University of Engineering UNI, Peru, 1990.</li> </ul>  |
| Professional and Academic Experience            | <ul style="list-style-type: none"> <li>• Professor, College of Civil Engineering, National University of Engineering, 2003 to date.</li> <li>• Technical manager of SERVINGEO Engineering Co, 2004 to date.</li> <li>• Consultant in Geotechnics, Soil Mechanics and Pavements.</li> </ul>  |
| Member of Scientific and Professional Societies | <ul style="list-style-type: none"> <li>• Peruvian Association of Professional Engineers CIP. Chapter of Civil Engineering.</li> <li>• Peruvian Geotechnical Society.</li> </ul>   |
| Institutional and Professional Service          | <ul style="list-style-type: none"> <li>• Technical expert at National Institute for Defending Consumers and Intellectual Property INDECOPI, National Accreditation of Testing Laboratories, Lima, Peru, 2011 to date.</li> <li>• Representative of National University of Engineering to INDECOPI for elaborating Soil Technical Norms, Lima, Peru, 1999-2002.</li> <li>• Chief of Soil Mechanics Laboratory, College of Civil Engineering, National University of Engineering, Lima, Peru, 2011 to date.</li> </ul>                              |
| Conferences and publications                    | <ul style="list-style-type: none"> <li>• Course: Workshop on Soil Mechanics, Laboratory of Soil Mechanics and Pavements, National University of Engineering, Lima, Peru, 2006.</li> <li>• Course: Soil Mechanics Applied to Surface Foundations, National University of Engineering, Lima, Peru, 2001.</li> </ul>   |
| Attendance to Conferences and Congresses        | <ul style="list-style-type: none"> <li>• International Trends of Geotechnical Design, National University of Engineering, Lima, Peru, 2004.</li> <li>• Design, Construction and Problem Solving of Industrial Concrete Floors and Pavements, American Concrete Institute Peru Section, Lima, Peru, 2004.</li> <li>• Soil-Cement Applied to Pavements, Association of Cement Producers ASOCEM, Lima, Peru, 2003.</li> <li>• IV National Congress of Asphalt, Roads Peruvian Association, Panamerican Roads Institute, Lima, Peru, 2000.</li> </ul> |
